Should the Redskins choose a quarterback along No.four overall?

[+] EnlargeKyle Terada/US PresswireJimmy Clausen want likely be procurable while the Redskins elect by No.4 Now that conventional wisdom (and ridicule blueprint specialists) point to the St. Louis Rams selecting Oklahoma's Sam Bradford No. 1 overall, the Redskins are surrounded one interesting position. With Oklahoma State left tackle Russell Okung feasible available the Redskins could go a long way among replacing Pro Bowler Chris Samuels,nfl custom jersey, who recently elderly for of a nape injury.

Okung's probably the safest elect along No.4 overall -- and I think it would be the wisest selection. But Mike Shanahan knows more than anyone the importance of the quarterback position, and it's hard to differentiate whether he's sold aboard Jason Campbell,football jerseys for sale. He's reportedly watched hours of motion on Jimmy Clausen, so I'm sure he's formed a smart strong opinion of the former Notre Dame quarterback. We reserve reading

that Clausen's testified cockiness put off some teams along the combine,merely I haven't heard that complaint from anyone among the Redskins organization.

ESPN design gurus Mel Kiper and Todd McShay are split on Clausen. Kiper has the Redskins selecting Clausen by No.4 barely McShay's never been sold aboard him. The huge thing Clausen has going as him is that he's played in Charlie Weis' pro-style guilt and he's comfortable taking snaps from median Players such as Bradford, Tim Tebow and Colt McCoy are having to make some major adjustments among terms of their drops merely Clausen's been act it as years

Redskins mutual adviser Bruce Allen and Shanahan haven't made any knee-jerk moves among trying to change the civilization of the organization. If you see along what Bill Parcells and the Dolphins did when they 1st got to South Florida, they took the best left tackle within the design among Jake Long,nfl jersey supply.
