"I have that in me," Tebow said. "The SEC championship loss to Alabama [last December] drives me. That's with me,baseball jersey numbers, more than the national championships or other big wins. The failures stick with you. I don't want that feeling. Nobody likes that feeling."

"I'm impressed," Bailey said. "I like what I see so far."

"That's what's he's learning now,boston red sox jersey," McDaniels said. "That's not easy. Just because you know it in the classroom,football jersey font, it doesn't mean you can do it on the field. That's the process he's going through now."

AP Photo/David ZalubowskiThe Broncos like Tim Tebow's dedication, but the rookie quarterback has a lot more work to do before he can contribute to the team.ENGLEWOOD,nfl jerseys wholesale, Colo. — It's 30 minutes after the Denver Broncos completed a June minicamp practice on a warm day in the Rockies.

They could rescind the tag if they don't like where negotiations are going and don't want to pay him \$7.003 million in 2010. The Packers would have to make that decision before Pickett signs the offer, however. There are some merits to keeping Pickett on the roster. In a statement Wednesday, general manager Ted Thompson said Pickett "has been a good teammate and productive player for us on the field and also a good representative of the Packers in the community." Pickett also provides some insurance in the event that defensive lineman Johnny Jolly is suspended in connection with an upcoming trial for felony drug possession.

But Tebow also admits he's driven because of the fear of failure.

Bailey suddenly points to a figure on a distant field. A solitary player remains at work.

Future Hall of Famer and team leader Champ Bailey is relaxing near the entrance to the team's locker room,kentucky basketball jersey, about to enjoy the air conditioning and a post-practice meal.

Keep tabs on Denver Broncos first-round draft pick Tim Tebow as the quarterback prepares for his rookie season.

Tebow Tracker

That's an awfully high number for someone who is essentially a part-time player,make your nba jersey, not to mention one who plays the same position as the Packers' 2009 first-round draft choice. But as we discussed Tuesday,ucla football jersey, the Packers have several options here.

"See that?" Bailey asks. "That's Tebow. It's long after practice and he's still out there. That's what he does. That's not for show. He's not just doing that because the media is here today. He does that every day."

Green Bay nose tackle Ryan Pickett won't be a free agent when the market opens next week. That's the upshot of Wednesday's announcement that the team has placed its franchise tag on him. At this point,make your own hockey jersey, any other conclusion would be premature.

"That's what I want,authentic hockey jerseys," Tebow says. "It means so much that my teammates believe in me and know that I'm working hard. That's why I'm here."

McDaniels lauds Tebow's study habits and his eagerness to learn. The coach said the key for Tebow this summer will be to find a way to translate what he is digestin

g in the classroom and make the correct adjustments on the field.

Still,ohio state football jersey, the Broncos believe Tebow will be on the fast track.

"We're all interested in it,cotton baseball jersey," Bailey says. "He has the team behind him. We heard so

much about Tebow before he got here and he's a big story. But everything he has shown shows that he can succeed. The guy just works at his job so much."

Tim Tebow Tracker

It's Tim Tebow.

There's no doubt Tebow is fierce competitor solely focused on making good. Will it work in Denver? His on-the-field work shows he is a rookie quarterback with a lot to learn. His dedication as a professional shows that Tebow is as advertised.

When Denver shocked the NFL world by trading three picks to take Tebow at No. 25 overall, the former Florida quarterback became one of the stories of the draft. He was already a polarizing figure before he was picked. Some NFL scouts and teams believed that Tebow's athleticism, football jersey, work ethic and desire would translate into NFL success. Other teams, nba jerseys, worried about his awkward mechanics and arm strength, nhl practice jerseys, didn't rate him high.

Several hours later, vintage jerseys, Tebow, nike pro combat uniforms nfl, who has routinely leads the charge in team sprints during practice, emerges from the extra field work and the classroom. His eyes light up when Tebow is told of the high praise coming from his high-profile teammate.

Known for his intensity and strong will, sleeveless baseball jersey, Tebow strives for success because he knows the football world is watching. He says he wants to succeed for his family and his new coaches. "Coach McDaniels picked me, customized nhl jerseys," he said. "This isn't like college where I could have gone anywhere. They took a chance on me. I want to succeed for the Broncos."

And frankly, alleson baseball jersey, using the franchise tag in an uncapped environment carries less risk than it used to. With a salary cap, mlb jerseys, the entire franchise figure counted toward that season's cap with no ability to pro-rate. In an uncapped scenario, vintage hockey jerseys, there is no penalty for paying a part-time nose tackle a premium salary as long as ownership — or, in this case, kids baseball jerseys, team president/CEO Mark Murphy — is willing to pay out the cash.

Where the Pickett situation ultimately goes is uncertain, nfl jerseys authentic, but it will be no surprise if it keeps going on for a while.

They could continue negotiating with Pickett on a long-term contract extension, majestic baseball jersey, ostensibly at a lower annual salary but with the promise of additional guaranteed money over time.

They could trade his rights, cheapest nfl jerseys, as they did with defensive tackle Corey Williams in 2008, design basketball jersey, in essence using the tag to guarantee a return on his eventual departure.

Tebow is relishing the lack of restrictions that comes with being an NFL quarterback. Because he has graduated from school, football jersey numbers, he can spend all the time he needs studying and learning at the facility.

He is the No. 3 quarterback on the roster behind starter Kyle Orton and backup Brady Quinn. McDaniels said Tebow has to make strides during the summer. "Nothing is going to be given to him, classic nba jerseys," McDaniels said. "He has to keep coming along."

[+] Enlarge Jerry Lai/US Presswire After franchising Ryan Pickett, football jersey display case, the Packers have several options to consider. If nothing more happens, 2012 nike nfl uniforms, Pickett will play the 2010 season under a one-year contract worth \$7.003 million. It's fully guaranteed the moment he signs it.

It's important that Tebow is committed to hard work. He has to keep plowing if he is going to make an impact anytime soon. Tebow struggled some in minicamp, where he has misfired several times and thrown interceptions. Yet, nike nba jerseys, he bounced back Saturday from a poor showing Friday. Basically, raiders baseball jersey, Tebow looks like what he is: a rookie quarterback. He's up and down.

"You have to train your brain to make it click on the field, womens nhl jerseys," Tebow said. "It's going fast and I have to make those adjustments."

Now that Broncos coach Josh McDaniels has staked his reputation as a quarterback guru and his future as

Denver's head coach on Tebow,nike pro combat, the buzz has exploded. It's just not in the media and on fan boards. It's in the Broncos' locker room.

That's why Bailey,old nba jerseys,giants football jersey, one of the best left cornerbacks of this era and someone whose opinion on quarterbacks matters, is putting his bet on Tebow.

"It's 24 hours football," Tebow said. "I love it. This is how I'm going to spend my summer."
